

MALAYSIAN COMPANIES BREAK RECORDS WITH RM2.2BIL SALES AT MIHAS@DUBAI

Malaysia's Mihas@Dubai has made a significant impact on the global halal industry. The event generated an impressive RM2.2bil in sales, highlighting the strong demand for Malaysian halal products and services. Strategic partnerships and strong industry support were instrumental in the success of Mihas@Dubai, boosting Malaysia's position as a global halal leader. The event created opportunities for increased trade with the Middle East and North Africa (Mena) region and opened doors to new markets worldwide.

Deputy Prime Minister Datuk Seri Dr Ahmad Zahid Hamidi (centre) with (from left) Mara chairman Datuk Dr Asyraf Wajdi Dusuki, Rural and Regional Development Ministry deputy secretary general (policy) Datuk Afandi Nordin, Perak Menteri Besar Datuk Seri Saarani Mohamad, Pahang Menteri Besar Datuk Seri Wan Rosdy Wan Ismail, Matrade chairman Datuk Seri Reezal Merican Naina Merican, Malaysian Ambassador to the UAE Tengku Datuk Sirajuzzaman Tengku Mohamed Ariffin and Matrade chief executive officer Datuk Mohd Mustafa Abdul Aziz at the opening ceremony of Mihas@Dubai. The inaugural edition of Mihas@Dubai marks Malaysia's first venture in introducing its halal trade platform to international shores.

Elevating Malaysia's global halal reach

Mihas@Dubai 2024 generated an impressive RM2.2bil in sales, highlighting Malaysia's leadership in the halal industry. The event not only strengthened trade relationships with the Mena region but also set the stage for international expansion and strategic partnerships.

THE Malaysia External Trade Development Corporation (Matrade) celebrated the successful conclusion of the Malaysia International Halal Showcase (Mihas) in Dubai.

Held from Nov 18-20 at the Dubai World Trade Centre, the event highlighted Malaysia's expanding influence in the global halal market and its commitment to fostering trade partnerships across the Middle East and North Africa (Mena) region.

The event attracted participation from 215 Malaysian companies and showcased a wide range of halal products and services that reinforce Malaysia's position as a leader in the global halal economy.

Mihas@Dubai was officially inaugurated by Deputy Prime Minister Datuk Seri Dr Ahmad Zahid Hamidi alongside Matrade chairman Datuk Seri Reezal Merican Naina Merican, Matrade chief executive officer Datuk Mohd Mustafa Abdul Aziz and other distinguished dignitaries.

Record-breaking sales

The inaugural Mihas@Dubai achieved a significant milestone, generating RM2.2bil (RM8.9bil) in sales through its exhibition and the International Sourcing Programme (INSP) over the span of three days, surpassing its initial target of RM1bil by 120%. These results accentuate Malaysia's strategic role in promoting halal trade and the effectiveness of its halal diplomacy initiatives.

"Mihas@Dubai has not only highlighted Malaysia's leadership in the halal industry but has also paved the way for stronger economic ties with the Mena region.

"The overwhelming response and sales figures demonstrate the high demand for Malaysian halal products and services, reinforcing our position as a global halal hub," said Reezal Merican.

A key feature of Mihas@Dubai was the INSP, which connected Malaysian companies with international buyers carefully selected by Matrade offices around the world.

This programme played a crucial role in driving actual and potential sales, providing a platform for Malaysian companies to meet high-profile clients and forge long-term partnerships.

Mohd Mustafa Abdul Aziz emphasised the significance of the event for bilateral trade, stating, "Mihas@Dubai has created new opportunities for Malaysian businesses in the UAE and the wider Mena region.

"The success of our INSP highlights the global demand for Malaysian halal products and services. This event will undoubtedly contribute to the growth of our exports and strengthen Malaysia's position

Ahmad Zahid (centre) addressing reporters at the Mihas@Dubai 2024 Press conference, flanked by Reezal Merican (left) and Mohd Mustafa, as they discuss Malaysia's initiatives to bolster its presence in the global halal market.

Reezal Merican and Mohd Mustafa (fourth and fifth from left, respectively) standing proudly with the Mihas@Dubai 2024 organising committee. The dynamic team is dedicated to ensuring the success of the event, which aims to promote trade and investment opportunities.

as a global halal hub."

Strategic partnerships drive success

Four Memorandums of Understanding (MOUs) and one Memorandum of Agreement (MOA) were signed, marking significant advancements in halal trade.

Matrade partnered with Export-Import Bank of Malaysia Bhd (Exim Bank) to enhance financial support for Malaysian exporters, strengthening their global competitiveness.

Hijrah Nature Herbs (M) Sdn Bhd collaborated with Canter & Company (Hong Kong) to expand the international reach of Malaysian herbal products.

Agym Nutrition Sdn Bhd joined forces with Stamina AE LLC (UAE) to boost halal nutrition markets in the UAE, while ANH Smart Venture Sdn Bhd and Ralex Services LLC-FC (UAE) partnered to drive technological innovations in halal ventures.

Bubbles O2 Marketing Sdn Bhd and Richiamo Coffee Sdn Bhd signed an agreement to

promote Malaysia's vibrant beverage industry globally.

Mihas@Dubai was made possible through strategic partnerships with industry leaders. DXN Holdings Berhad served as the strategic partner, while Bubbles O2 Marketing Sdn Bhd was the preferred beverage partner and Westports acted as the preferred logistics partner.

Strengthening Malaysia-Mena trade relations

The UAE is Malaysia's second largest trading partner in the Mena region after Saudi Arabia, with bilateral trade reaching US\$7.98 bil (RM35.5bil) from January to October this year.

Malaysia exported US\$2.61bil (RM11.6bil) worth of goods to the UAE, predominantly jewellery, electrical and electronics (E&E) products, petroleum products, processed food as well as palm oil and palm oil-based agriculture products.

The halal sector continues to serve as a strategic pillar of this partnership, with the UAE

emerging as a significant hub for Malaysian halal products and services.

Mihas@Dubai reinforced these ties by providing Malaysian exporters a direct platform to connect with key players in the region. The participation of major UAE companies and visitors from all over the world highlights the shared commitment to expanding halal trade.

Leaders' vision for halal excellence

Reezal Merican emphasised the importance of Mihas@Dubai in advancing Malaysia's halal diplomacy: "This event demonstrates Malaysia's commitment to building bridges through halal trade. The record-breaking sales and the MOUs signed highlight our role as a global halal leader. We thank our partners and exhibitors for their dedication to making this event a success."

Mohd Mustafa highlighted the event's broader implications for Malaysia's trade: "This showcase is not just about numbers – it's

about relationships and trust. The Mena region offers immense potential for our halal industry, and Mihas@Dubai has paved the way for sustainable partnerships that will benefit all stakeholders."

Paving the way for global expansion

One of the key takeaways from Mihas@Dubai 2024 is Matrade's aspiration to expand the showcase worldwide. Matrade plans to bring the Mihas brand to other international markets, creating new opportunities for local exporters while strengthening the global presence of halal-certified products.

As trade between Malaysia and the Mena region continues to grow, Matrade's initiatives will remain vital in strengthening bilateral ties and opening new doors for Malaysian businesses.

With its record-breaking achievements, Mihas@Dubai 2024 has set a high benchmark, reflecting Malaysia's unwavering commitment to halal excellence on the world stage.

Reezal Merican: 'Mihas@Dubai has not only highlighted Malaysia's leadership in the halal industry but has also paved the way for stronger economic ties with the Mena region.'

DXN Holdings Bhd
Nature of business: F&B

Founded by Datuk Lim Siow Jin in 1993, DXN Group is a global nutraceutical company with operations in numerous countries, producing high-quality consumer goods across its international facilities. Today, DXN boasts 18 million distributors worldwide and maintains its concept of 'One Dragon, One World, One Market, One Mind', which has been a pillar of continuous growth over the years.

With the tagline 'Premium Water, Affordable Price', Bubbles O2 is poised to become a leading premium mineral water brand, thanks to its unique properties and exceptional provenance.

Westports Malaysia Sdn Bhd (formerly known as Kelang Multi Terminal Sdn Bhd)
Nature of business: Development and management of port operations

Westports Malaysia is a leading port operator based in Port Klang, Malaysia. The company primarily manages port operations dealing with containerised and conventional cargo. It offers a wide range of port services, including marine services, rental services, and other ancillary services.

Serving as the main gateway for central Peninsular Malaysia, it handled 10.9 million TEUs and 11.6 million metric tonnes of cargo in 2023. The company's focus on sustainability has earned it multiple ESG awards and the lowest ESG risk among major global terminal operators.

Recognised as the nation's leading seaport, Westports Malaysia took on a vital role as the official logistics partner for Mihas@Dubai 2024. The company ensured the seamless transportation and handling of goods critical to the event's operations.

With its extensive experience and expertise in logistics, Westports facilitated the efficient movement of products, managing complex supply chains and coordinating with various stakeholders. This meticulous planning and execution were instrumental in overcoming logistical challenges, ensuring that all goods arrived on time and in optimal condition.

By leveraging its state-of-the-art facilities and innovative logistics solutions, Westports Malaysia significantly contributed to the overall success of Mihas@Dubai 2024, enhancing the event's reputation and supporting its mission to promote trade and investment opportunities in the region.
